Latest News

We are launching new sessions for September 2017.

Remembering Local Soldiers of the Great War. Using our archive resources the children investigate local soldiers who are remembered on the Cenotaph in Clifton Park. Another new session is **Mini Museum.** We take a look at museums and how to display and write information labels. This can be tailored to link with your class history topic.

Our new schools booklet is being sent to schools over the next few weeks. If you would like a copy let us know and we will send a copy direct to you.

We currently have on display of children's work from Emmaus School. They have produced Roman 3D work and text after a visit to the museum. The work is on display until after half term. If you are interested in your class taking part in an exhibition please get in touch.

Teacher Focus Group

We host a Teachers Focus group which meet quarterly after school during the school year. We next meet on Tuesday 27th June from 3.30pm - 4.45pm for an Archives workshop. It will be an opportunity to learn how to use our Archives and Local Studies Search room with our Archivist to guide you. If you are interested in coming along please email Lorna.Pedley@Rotherham.gov.uk to book your place.
